Introduction

New People

Old Business:

Mount Reuben – Re-scheduling a sampling expedition.

New Business:

Galice area geologist, Geoff Garcia scheduled to speak on local geology and ores at next meeting.

Recent DOGAMI Presentation (see website for video)

Kerby Jackson to speak at SORA's meeting tomorrow on Local Mining. 7:30 AM in Banquet Room at Elmer's.

Galice Creek "Gold Discovery" Historic Marker is now missing.

Research, Preservation and Promotion of the Local Mining Industry: Do we want to start funding the active procurement of maps, publications, reports, historic photos and other information on the local mining industry – not limited to gold? This would not only assist members in procuring the most viable ground possible, but could also be utilized to help validate the existence of our local mineral resources to aid in promoting local mining.

SB 838: Implementing A Plan of Action

Our next meeting is:

December 1st, 2013
2 PM at Redwood Grange
